Petition for Paper Ballots Nationally

We call upon Senator Tom Udall, as a member of the Senate Rules and Administration Committee, to address nation-wide:

-Mandatory usage of paper ballots to provide a trustworthy record of the vote,

-Risk-based audits of vote tabulators to provide assurance that votes have beencounted accurately, or to detect errors or fraud that would overturn an election,

-Election Day Registration or even better, Universal Registration,

-Strengthening and re-focusing the Election Assistance Commission to provideinformed, technical assistance to state and county Bureaus of Elections.
